

Peer Evaluation

***Note:** Two versions of peer evaluations are expected to be submitted. (1) Each group must agree on the effort evaluation based on actual contributions. This is to be submitted along with other group deliverables. (2) Each group member must also submit their own evaluation of group effort individually. Ideally we would hope that both the group and individual evaluations are the same and each group member has contributed equally.*

GENERAL INFORMATION	
Group Number:	23
Who is completing this?	Isaiah Sherfick

OVERALL GROUP EFFORT EVALUATION		
If you were rewarded \$21 for your hard work and had to distribute this among all teammates, how much would you give to each member for the actual work done?		
Group Member Name	Amount	Justification (Required)
<i>Gary Baker</i>	\$5.25	Completed a fair share of the work, showed up to every meeting.
<i>Isaiah Sherfick</i>	\$5.25	Completed a fair share of the work, showed up to every meeting
<i>Lexi Floom</i>	\$5.25	Completed a fair share of the work, showed up to every meeting
<i>Trevor Dunbar</i>	\$5.25	Completed a fair share of the work, showed up to every meeting
